WHEN YOUR CLIENTS NEED IN-HOME CARE

As a trusted advisor, you are committed to putting your client's interest first and foremost. When it comes to In-Home care it can be difficult to find a company that understands your unique relationship with your clients. Acti-Kare works with your firm to provide the high level of commitment and concern for you clients that you have.

ACTI-KARE RESPONSIVE IN-HOME CARE AS YOUR PARTNER

Acti-Kare of the Blue Ridge is committed to working with Trusted Advisors such as Bank Trust Officers, Elder Law Attorneys, and Financial advisors. We will be your trusted partner, working as hard for your client as you do to meet all their needs.

HOW WE PARTNER WITH YOUR FIRM

Acti-Kare of the Blue Ridge understands the unique position you have in the lives of your clients.

- We work with you from the start to establish a plan and schedule of care.
- We communicate with your firm according to your needs and provide progress reports in compliance with HIPAA law and based on your firm's relationship and responsibility to the client.
- We provide skilled caregivers who are background and reference checked, bonded, and specifically trained in client confidentiality to meet the particular needs of your clients.

Our Promise to You

Acti-Kare of the Blue Ridge promises to work alongside you and your firm to provide the highest quality of care and reflect your firm's commitment to your clients. We will make your decision to refer our agency the easiest decision you will make over, and over again!
